## American Precision Prototyping Hires Director of Sales / Account Management

**Tulsa, Oklahoma, August 18, 2008** – American Precision Prototyping, LLC. (APP), an industry-leading service bureau that provides fast, high-quality Rapid Prototype and Rapid Manufactured parts announced today the addition of Joey Florez to the APP team.

Mr. Florez comes to APP with over 12 years experience in sales and customer service at the management level and will be managing the sales / account management department. Mr. Florez has a proven record of increasing sales and possesses exemplary management skills both of which will greatly benefit the current sales staff and the APP customers.

"We are very excited to have Mr. Florez on the team," stated Jason Dickman, President of APP. "He is an energetic, focused individual with the desire and commitment to take the APP sales department to the next level," continued Dickman.

"I am excited to be with a fast growing, forward moving company like APP," stated Mr. Florez. "APP has the best customer service / sales team and leadership in the industry. Their commitment to continuous improvement coupled with my experience will ensure we remain a top notch team providing the best customer service in the industry," continued Florez.
